

Majestic Emperor Train de Luxe

by Horatia Travel and Hotel Le Palais Prague

Board a train and let yourself be taken to the old times of Emperor Franz Joseph I and Empress Elizabeth (Sissi). Enjoy a gala diner in the luxurious Majestic Emperor, surrounded by the splendour of the old times of the Austrian-Hungarian monarchy.

The imperial court train was built in the renowned factory of František Ringhoffer in Prague, and in 1891 it was officially handed over to the imperial couple. One hundred years later, thanks to the effort of Gottfried O. Rieck and his wife Sibylle, in 1991 the beautifully restored Majestic Emperor train started its new career. Christine von Habsburg-Lothringen, the youngest of the offsprings of Franz Joseph I and Empress Sissi, became the godmother of this „palace on the trail“.

Many well-known personalities became passengers of this court train, among them Jimmy and Rosalyn Carter, Archduke Michael Salvator Habsburg-Lothringen and his wife, Crown Prince Felipe of Spain, as well as statesmen and captains of industry from Europe.

Luxury for you, your company and your friends...

The luxurious atmosphere of the Majestic Emperor train creates an elegant environment for your business meetings, conferences or family celebrations. It can be an unusual and very original and unique gift for your business partners or a great surprise for your friends.

It is possible to rent an individual wagon which would be added to the regular train heading for the same destination.

A special train (with a steam or electric locomotive) could be arranged for large parties. In either case we will prepare the itinerary and timetable according to your wishes.

For a longer circle line through Europe, modern sleeping wagons can be added to the train or accommodations can be arranged in hotels in the Czech Republic and Europe.

Stops of your special train can be enriched according to your wishes by programmes such as a band welcome on the platform, visits to castles/manors, or cultural programmes.

On the platform, a glass of champagne will be offered to you (the same custom as was during the times of Franz Joseph I and Empress Sissi).

Board the train, please...

A red carpet will await you, and perhaps a band in historical uniform or the Dragoon regiment No.14 of the Field Marshal Prince Alfred Windisch-Graetz from the town Brandýs nad Labem under the direction of bandmaster Dr. Milan Novák.

Our stewards will take care of you during the entire trip, offering perfect service.

Enjoy an exclusive five-course menu. Typical Viennese dishes may be also served, including delicacies favored by the Empress Sissi.

Enjoy the delicious taste of refined Moravian wines. The Majestic bar will offer you typical Czech spirits as well as excellent whisky and cognacs.

Carefully selected musical background and perfect sound technology in the wagons contribute to the atmosphere.

Live music can be arranged as well as a wagon convenient for dancing.

Majestic Emperor – Train de Luxe and HORATIA travel agency are looking forward to offering you a very special experience and a splendid journey.
